## Fountain Hills Mayor's Youth Council 2000

On Monday, May 1<sup>st</sup>, the Parks and Recreation Department held a recognition dinner for everyone who participated in this year's Mayor's Youth Council. The recognition dinner was held at Mama's Pizza Cucina from 6-8 PM, and was attended by Mayor Sharon Morgan, the Parks and Recreation staff who served as advisors to the Council and students who are members of the MYC. Certificates of appreciation were given out along with a small gift. The Parks and Recreation staff and the MYC will also be going on a trip very soon as part of the appreciation for all of the hard work the Council has done this year. The destination of the trip is yet to be determined and will be chosen by the students.

The Council was formed in October of last year, and since then has played a very active role in getting the Town youth involved in community projects and events. Such events include the Street Coyotes Event, the Halloween Carnival, the Town's 10th year Birthday Celebration, the Luminaria and the Kid's Zone at the Concerts in the Park series. They were also involved with the opening of the new Skate Park, Eggstravaganza and the Adopt-A-Street program. The Council adopted Westby Drive and helps to coordinate the cleaning of garbage off of the street once every two months.

The Mayor's Youth Council is open to students in grades 9-12 who wish to help make a difference in the lives of our Town's youth. The MYC plans on continuing to work just as hard next year, while opening itself to other opportunities to help itself grow and continue to make an impact in Fountain Hills. There are plans to work with Council's from nearby communities and other youth groups that are located here in Fountain Hills. There will also be a trip to the National League of Cities Conference in Boston. Three students will go to the conference and represent Fountain Hills next winter.

The Parks and Recreation Department is accepting applications from students who may be interested in joining the most influential group of students in Town! Applications may be picked at the Parks and Recreation office all summer long. For more information about the Mayor's Youth Council please call Corey Hromek at 816-5170 or Amy Silverman at 816-5168.
